

HOW TO USE COIR-DITONER COIR CHIP 500G

1. Soak the Coir-Ditioner Coir Chip brick so it can absorb the water and begin to break apart.
2. Squeeze the excess water out of the Coir Chips and mix with Coir Vital Grow Potting Mix.
3. Add any required organic fertiliser suited to your plants.
4. Use as desired!

PRODUCT DETAILS

- Free of weeds, repellent to insects, and resistant to harmful fungi.
