

HOW TO USE COIR GROW MAT

1. Sprinkle grass seed, making sure it is evenly distributed throughout the openings.
2. Place the Coir Grow Mat in your desired location. In windier conditions peg the Grow Mat down at even intervals.

PRODUCT DETAILS

- Available in the size of 40cm X 40cm.
- 100% Natural, biodegradable, and peat-free.
- Ethically produced and sourced to be an environmentally sustainable product.
- Made up of layers of coir fibre, combined with a natural rubber latex to hold the fibre together.
