

# HOW TO USE COIR DISCS

1. Place the discs in a tray and add lukewarm water and allow the Coir Discs to absorb and expand.
2. Stir to mix and fluff it out, add more water if necessary.
3. Add required nutrients/organic fertilisers and plant seeds/plants.

## PRODUCT DETAILS

- 4cm (100ml), 5cm (250ml), 7.5cm (500ml), 10cm (1L), 13cm (4L) & 18cm (9L).
