

HOW TO USE COIR HANGING BASKETS

1. Fill the coir basket liners with Coir Vital Grow Potting Mix or desired blend.
2. Add water and any nutrients / organic fertilisers as required.
3. Plant your seed in the Coir Hanging Baskets.
4. Hang it in your indoor and outdoor space.

PRODUCT DETAILS

- Hanging baskets are available in sizes 25cm, 30cm, and 35cm.
- 100% Natural, biodegradable, and peat-free.
- Ethically produced and sourced.
- Retains water, facilitates air porosity, and has excellent drainage.
- Helps prevent plants from transplanting shock when repotting.
- Crafted in Sri Lanka.
